### The Living Christ

Plan to join with other YSA from the Stake for a special presentation of the Living Christ. Tuesday April 4th at 8:30 P.M. 5555 N. Locust Grove. This Tuesday evening event will take the place of our regular Monday night FHE that week.

## Weekly Inspiration:

President Nelson said, "Whenever I hear anyone, including myself, say, "I know the Book of Mormon is true," I want to exclaim, "That's nice, but it is not enough!" We need to feel, deep in "the inmost part" of our hearts, that the Book of Mormon is unequivocally the word of God. We must feel it so deeply that we would never want to live even one day without it. I might paraphrase President Brigham Young in saying, "I wish I had the voice of seven thunders to wake up the people" to the truth and power of the Book of Mormon."

How are you doing with our Stake Presidents challenge to read from the Book of Mormon each day? Are you discovering once again the power that comes into your life from spending just 15 minutes

## Service Events

### Friday May 5th

Our Stake Activities committee has planned a wonderful service opportunity. May 5th 9:00 - Noon at Deseret Industries (Fairview and 5 mile): We will be sorting, and assisting at the D.I. for the morning. This will be followed by a BBQ around Noon. This will be a lot of fun, and a chance to expand your social circle, meet new people, all while serving others. Plan ahead, get the morning off of work, or school

## Sports

### Stake Basketball

#### Tournament

First Ward played a great game Thursday, pulling away late in the first half and holding on with a 13 point margin to win the consolation bracket of the tournament. Mitchell Crane did a great job of coaching and giving everyone an opportunity to play and contribute to the fun.
