## New Video: "Simple Ways to Love, Share, and Invite"

We encourage all members—starting with ward and stake leaders—to watch this new video, reflect on the examples shared, and consider how they will share the gospel of Jesus Christ.

Ward and stake councils, including ward youth councils and participants of missionary coordination meetings, are invited to watch this new video together. Discuss ideas of how to love your neighbor, share the gospel, and invite others to learn more through your daily interactions.
