Ward Temple night is now on the third Thursday of each month. Plan now to participate. **Reserve a seat in the 7:00 P.M. session at the Boise Temple for Thursday June 15th. Invite a friend.**

Weekly Inspiration:

*Be Somebody who makes
Everybody Feel Like A
Somebody.*

Kid President -

This past week I lost a dear friend. He would have been 95 years old this fall. His name was Dean Collett and is quite possibly the teacher who influenced me the most during my formidable teen years. Dean began his teaching career at Highland High School in Salt Lake City in 1956 before even I was born, and never left. Several years ago I dropped by the school for a visit and to see if anyone in the office new what had happened to Dean, I was ushered down the hall to the Counselors office where Dean was still guiding freshmen students at age 88 or 89. Dean never married, never had children, but was a father figure to thousands. He taught Math, German, and Russian, but few would remember Dean for his teaching. He would be remembered I think because he loved everyone, and made everyone feel like Someone. Today we call it ministering, but it's really just another word for being like the Savior.
