### Institute Summer BBQ

June 7th Wednesday night 6:00 - 9:00 p.m. This is at the 3700 S. Maple Grove building. Sadly no dunk tank this year, but lots of burgers, dogs, and fun. This is a don't miss event.

### Weekly Inspiration:

Even more amazing than modern technology is our opportunity to access information directly from Heaven, without hardware, software, or monthly service fees, said President Russell M. Nelson

### Building Cleaning

June is our wards month to clean the building. Come be apart of the fun, the camaraderie, and lend a helping hand. 9:00 A.M. each Saturday morning.

President Nelson and other General Authorities continue to emphasize not only the need for personal revelation, but the tremendous availability of our Heavenly Father.

Our children call and talk to their mother regularly, even daily. When I get a call from them, it is often because they have a problem and need help. I am anxious and excited to help them. So is our Father in Heaven anxious to answer our calls, but we have to make them.
